AMERICAN BOARD OF NEUROSCIENCE NURSING (ABNN-AMP)
EXAM INFORMATION FOR PROCTORS

General Information
There are two (2) exams in this program. General rules allow for test center issued scratch paper and pencil. The use of a silent, non-programmable calculator without alpha keys or printing capabilities is allowed but is not necessary. Calculations found on the examination can be performed without the aid of a calculator.

Test Engine
AMPTest

Check-In Requirements
- Primary ID: Unexpired government-issued photo ID that bears the candidate’s first and last name with signature.
- Secondary ID: ID that displays the candidate’s name with signature for signature verification.
- First and Last name on ID must match the name in the PSI system (for any discrepancies, use the Acceptable Names Discrepancy document to determine if the candidate’s name variance will be permitted).
- Photo of candidate will be taken.

Exam Aids/Figure Books/Plan Sets to be Issued to Candidate
None

Score Reports
Candidates will receive an instant pass/fail score report at the end of testing. Once a candidate completes testing, you MUST click on “Client Checkout” and then “Print Score Report” to generate an official PSI score report paper.
