FLOORING AND FLOOR COVERING CONTRACTING EXAMINATION

Scope of Work: Flooring and Floor Covering Contracting (Abbr: FLR) means the service that provides for the installation, repair, improvement, or removal of materials that are common in the flooring industry. This includes, but is not limited to, wood and wood composite flooring, tack strips or other products used to secure carpet, vinyl and linoleum, ceramic, marble, stone, and all other types of tile, and includes the installation or replacement of subflooring, leveling products, or other materials necessary to facilitate the installation of the flooring or floor covering. This does not include the installation, repair, or removal of floor joists or other structural components of the flooring system. The RBC and CBC classifications and HIC and CIC specialties also provide for this function.

EXAMINATION REFERENCE MATERIAL

The following is a list of possible reference materials for the examination. The list is given to identify resources and does not constitute an endorsement by PSI or by the Virginia Department of Professional and Occupational Regulation.

The reference material listed below was used to prepare the questions for this examination. The examination may also contain questions based on trade knowledge, or general industry practices. You can use any edition of references and Code books as they become available.

However, for Code questions, the examination will be based only on the edition of the Code book that is listed.

NOTE: All examinations are open-book. You must bring your own references as they are not provided at the test site. No study guides are permitted.

No loose papers or unbound references are permitted. If you download a reference from the Internet, it must be spiral bound or hole-punched and placed in a binder or stapled in the left-hand corner.

References may be highlighted, underlined, and/or indexed prior to the exam. Reference materials containing any writing will not be allowed into the examination. You may not write in reference materials during the examination session. A candidate caught writing in the references during the examination will have the references confiscated and will be reported to the Department.

References may be tabbed with permanent tabs only. NO REMOVABLE TABS are allowed.

The following list of tabs may be used. These items may be purchased at local office supply stores.
