

OCI has not prepared any study programs or manuals for the product knowledge questions of the examination. However, area university centers, technical or private schools may have a course designed to prepare students for insurance testing. You should contact them directly for information. You may look up approved providers via the following link.

Wisconsin Intermediary's Guide

The guide was been developed by the Office of the Commissioner of Insurance (OCI) as a study guide for the Wisconsin laws section of the exam. The intent is to provide a broad overview of insurance concepts, state laws, and ethics. OCI has not prepared any study program or manuals for the product knowledge questions of the exam.

You can download the guide at the following link <https://oci.wi.gov/Pages/Agents/Prelicensing.aspx>.

Content Outlines

• • • Experimental Items

In addition to the number of questions per examination, a small number of one to ten experimental items, generally, approximately 10% of the number of questions, may be administered to candidates during the examination. These questions will not be scored. However, these questions will count against examination time. The administration of such unscored, experimental questions is an essential step in developing future licensing examinations.

• • • Content Outlines

The following outlines describe the content of each of the Wisconsin Insurance Examinations. These outlines are the basis of the examination. Each examination will contain questions about the subjects in its outline. The examinations are closed book. No reference materials, papers or study materials are allowed at the examination site.
